Please note other information that would be helpful to the International Board, including challenges faced, suggestions, or comments.

The New Jersey Network continues to enjoy strong support from the bar, which is reflected in our continuing sponsorship support, even from firms and companies with no active IWIRC members, although we did see a dip in sponsorship dollars for 2023. We also enjoy tremendous support from our Judges through their membership in the organization and attendance of events. Due to our robust sponsorship program, we are able to offer quality, low-cost and free events and to offer many events free of charge to our judges and their law clerks. We also continue to offer membership scholarships and conference scholarships. We are pleased to report continued collaboration with other IWIRC networks for events and strong network attendance of regional and national conferences. Our biggest challenge continues to be maintaining members given attrition due to market turndown, which also affects the growth of our leadership; however, in 2020 we added four (4) new members to our board and one (1) additional member in 2022, and we have a strong group who works well together. Our two board resignations were due to changes in careers and moving out of the state.
