IWIRC COMMUNICATIONS POLICY

(as of October 10, 2023)

The content of all IWIRC communications, including any social media post on or from an IWIRC-named account (including those accounts managed by IWIRC Networks), must relate to:

1. IWIRC;
2. One or more IWIRC Networks
3. An IWIRC Network Event;
4. One or more IWIRC Members; or
5. An insolvency-related organization or insolvency-related event.

All IWIRC communications must comply with IWIRC's Bylaws and the IWIRC Code of Conduct and Ethics.

In the event any IWIRC Committee or IWIRC Network requests that the IWIRC Communications Committee publish any communication, such communication must be provided to the Communications Committee five (5) business days before any "publish" date.

IWIRC reserves the right to remove any communication, social media post or comment in the event any communication does not comply with this policy, including communications on accounts managed by IWIRC Networks.
