Membership was our primary objective in 2019. We contacted over 150 practitioners, resulting in just 3 new members. Geography, value and familiarity with the organization continue to be roadblocks. We will continue to strive to overcome.

We are focused on partnerships with 8th Circuit courts and Federal Bankr bar associations to maximize our exposure and limit costs. Seems to be a good model.

We also are focused on mentorship and introductions of new/young members to other Regional and International networks when they travel
