**9. Network Goals**Goal: Membership

The Board recognized the need to continually attract new members. To work towards this goal the Board created two Director of Membership positions for 2019 (previously the Board included only one Director of Membership).

Goal: Planning

The Board identified that transition of the board roles from one year to the next could be improved. To implement better transition procedures, all 2018 board members were required to deliver transition memos containing pertinent information with respect to their position to the incoming 2019 board members.

Goal: Communications

The Board identified that it could improve its regular communications to its Network members. On a trial basis, the board implemented a semi-annual newsletter distributed to its members highlighting recent events, member achievements and other articles of interest to its members. The first newsletter was distributed in December, 2018 as a “Year in Review”.
