The answers to questions 9 and 10 are given below for your easy reference and we are unable to edit the file.

**9. What progress has been made with respect to each goal?**

We have begun to hold conferences and knowledge sessions in different cities in India. We have made attempts to attract different professionals and publicise IWIRC on social media platforms. We introduced IWIRC India newsletter in 2018, which is circulated on a quarterly basis.

**10. What assistance can IWIRC provide with respect to achieving each goal?**

Reaching out to existing members of IWIRC in order to connect us to their Indian offices. This would enable us to increase our member base and holding more events in different cities in India.
