

"On Sunday May 31, 2015, the women of IWIRC Ontario Network laced up their walking shoes and completed a 5 km charity walk in Bronte Creek Provincial Park as part of the Shopper's Drug Mart Run for Women series raising \$500 in support of Women's Mental Health for the Oakville Hospital Foundation. Despite the rain and muddy terrain, the team of 10 women persevered and some even beat their own personal best time!"
