IWIRC PRESS RELEASE

IWIRC Cyprus Network Launched

July 26, 2023, Stanardsville, VA - IWIRC is pleased to announce the launch of the Cyprus Network. The Cyprus Network officially launched on June 22, 2023.

Cyprus, strategically located in the Eastern Mediterranean, is an international business and investment center.

IWIRC Chair Margie Kaufman (Christmas Tree Shops, LLC) stated, "IWIRC extends a warm welcome to the Cyprus Network as the 56th IWIRC Network and the fourth new network this year. We recognize that Cyprus is an international business hub, making it a great location for our members to connect with women around the world."

The inaugural board of the Cyprus Network includes Network Chair Heather Goldie and Treasurer Martha Kallenou, both of Grant Thornton, who shared, "We are thrilled that Cyprus has become the 56th IWIRC Network, a fantastic organization that connects women in restructuring and insolvency, both locally and internationally. The opportunities within IWIRC are tremendous and we are very much looking forward to formally launching our network in Cyprus, whilst preparing to celebrate the 30th Anniversary of the establishment of IWIRC."

"Working in restructuring and insolvency in Cyprus often has an international connection. Our goal is that the IWIRC Cyprus Network will provide a platform for our local professionals to reach out and connect with IWIRC Members for support, advice, and expansion of their own business and professional network. The board of IWIRC Cyprus is very excited about its future."
