PRESS RELEASE

IWIRC Dubai Network Launched

October 31, 2023, Stanardsville, VA - IWIRC is pleased to announce the Dubai Network officially launched on September 11, 2023.

Dubai is the first IWIRC Network located in the Middle East and Gulf Region.

IWIRC Chair [Margie Kaufman](#) (PKF Clear Thinking) stated, "IWIRC welcomes the Dubai Network as the 57th IWIRC Network and the fifth new network this year. The success of its initial events demonstrate that the Network is already thriving and warmly received by the local insolvency community. We look forward to enhancing opportunities and growth with IWIRC members in the region."

The Dubai Network Co-Chairs [Cate Barbour](#) of Walkers Global and [Tina Asgarian](#) of Ogier shared,

"We are very proud to have established IWIRC in Dubai which is the IWIRC's first network in the Gulf and Middle East & North Africa. The founding members have experienced the benefits and support of IWIRC in other jurisdictions in which we have worked and know the value it brings to the professional lives of the women who work within it. We look forward to being a very active IWIRC network, with plans for regular meetings, including breakfasts with inspiring speakers, cocktail hour social and educational networking events and, in January 2024, an event in Riyadh to coincide with the Saudi Arabia INSOL seminar. We hope the Dubai Network will inspire and support the fantastic professional women in our field, not only within Dubai but also in the UAE and the wider GCC and MENA region."
