# Jennifer Meyerowitz

on receiving the 2015 Melnik Award

The IWIRC-Georgia Network is pleased to announce that Jennifer Meyerowitz is being awarded with this year's Melnik Award for exceptional contributions by an IWIRC member.

The Melnik Award, named for IWIRC founding Chair Selinda Melnik, is awarded to a member who has made an exceptional contribution, either through efforts over the past year, or for the culmination of her contributions over a period of years. Members who have gone above and beyond while maintaining their busy professional and personal lives are who embody the Melnik award. The recipients of this award have made significant and long-lasting contributions to IWIRC.
