Title: CEO

Professional Background

Sarah Frankel has spent ten years developing relationships in business development roles in the restructuring industry. Last year, Sarah founded and launched the525group, which helps companies identify the very best people for their teams while helping professionals find a team that plays to their strengths and supports their ambitions. The firm focuses exclusively on professionals in the restructuring space and allows Sarah to serve her vast network of bankruptcy and restructuring industry relationships worldwide. Prior to the525group, Sarah was a Business Development professional at Kurtzman Carson Consultants and Garden City Group.

IWIRC Involvement

Sarah has been a consistent IWIRC fixture for the last decade. She has been a member in both LA and NY, a panelist at IWIRC's Annual International Conference and has held various leadership roles. Most important to our NY Chapter, Sarah helped usher in a new era for the network with reinvigorated programming and a strong social media presence. Sarah received the 2013 Rising Star Award from the International IWIRC Board, and many of her legacy events and her original social media plan continue to be used by IWIRC NY and other chapters.

Most Memorable IWIRC Event

IWIRC NY Pub Trivia Night August 2013! About 50 friends of IWIRC crammed into booths at an East Village bar for trivia led by a hilarious NY comedienne. The teams, the casual environment and the non-stop laughs made this the most memorable IWIRC event she's been to and one we all still talk about.
