Please note other information that would be helpful to the International Board, including challenges faced, suggestions, or comments.

As of the date of this report, our network has one Board member who needs to renew her membership. I have advised her and all members to confirm their membership status.

The challenges facing our network this past year largely included membership recruitment and engagement. Only a handful of our members actually live in the City of Philadelphia, and recruiting new members has been difficult. As a result, our network board just reshuffles every so often. We are focusing on more student outreach for 2023 and appreciate any suggestions or best practices for doing so.
