SPONSORSHIP SPOTLIGHT

The International Women’s Insolvency & Restructuring Confederation (“IWIRC”) is recognized globally as a major connector for women in the restructuring and insolvency field, both within each network’s local community and worldwide. The Georgia Network (the “Georgia Network”), in particular, is comprised of restructuring attorneys, turnaround specialists, and financial advisors, as well as judges, law clerks, and law students. Through their affiliation with both IWIRC and the Georgia Network, our members and sponsors develop valuable, professionally enriching networks of contacts, resources, mentors, and friends.

We are inviting corporate partners to sponsor our diverse educational and networking events, members’ attendance at leadership conferences, marketing, and operational costs. Our Network’s events provide publicity opportunities for your business, while the sponsorship benefits listed below bring your business directly to the attention of our membership of local women in the restructuring and insolvency industry.

We also accept in-kind donations (catering, event and meeting space, etc.) and sponsorships for individual events with recognition at the sponsored event.
