Have You Fallen Into the Likeability Trap?	3/20/2025 11:10	3/20/2025 12:00	The likeability trap is the impossible balance women are expected to maintain between being competent and being likeable. When women assert themselves, they risk being seen as aggressive or unlikeable, but when they prioritise warmth and agreeability, they may be perceived as less competent. This double bind forces women to constantly navigate social expectations, often at the expense of their authenticity and career growth.		Kai Tan Angela Barkhouse Helen Wang Gina Marescia
